

## VIBERATE

Rewarding System

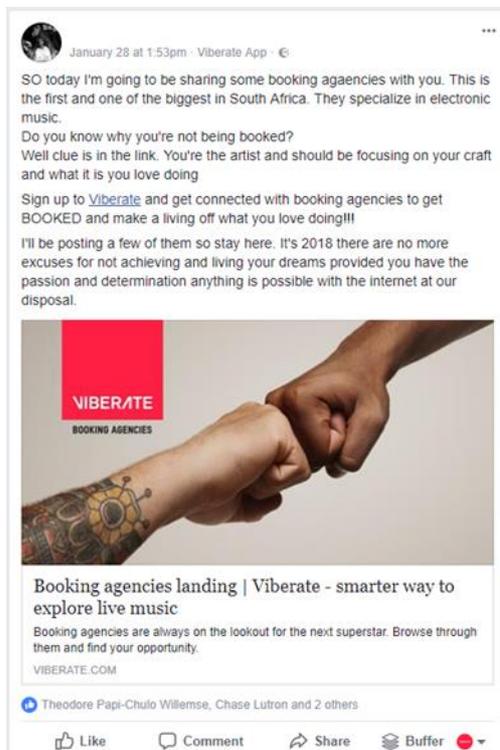

Promotion Rules and Regulations

### FACEBOOK:

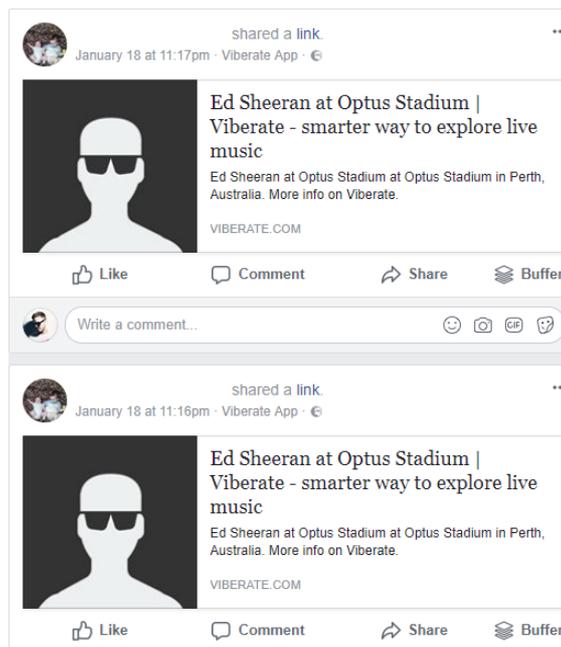

1. To participate in the rewarding campaign and earn VIB by promoting our service, you must first connect your Facebook account to your Viberate account. To do that, go to your User Profile and click on the Participation tab. Scroll to the bottom of the page and verify your Facebook account.
2. Once you verify your account, you will be given additional information on what we reward. On Facebook, your promotional posts have to include:
  - a mention of our Facebook page @ViberateOFC
  - a mention of our Twitter page @Viberate\_com
  - any of the links shared from our
    - service: [www.viberate.com](http://www.viberate.com)
    - investor site: [www.viberate.io](http://www.viberate.io)
    - Facebook page: [www.facebook.com/viberateOFC/](http://www.facebook.com/viberateOFC/)
    - Facebook group: [www.facebook.com/groups/Viberate.VIB.token/](http://www.facebook.com/groups/Viberate.VIB.token/)
    - Twitter page: [www.twitter.com/Viberate\\_com](http://www.twitter.com/Viberate_com)
  - any of the special links provided in the Participation tab (User Profile → Participation → Promote); these change periodically.
3. All promotional posts (including shares) must also include well-written, informative and constructive content.
4. Shares only count if they include one of the above mentions or links and get engagement (likes and/or shares).
5. High-quality posts with high engagement (many likes and shares) get you to a higher rewarding rank.
6. **The maximum number of promotional posts is 1 per day (shares included).**
7. Only posts that comply with all of the above will enable you to get a reward.
8. All violations will be detected and the users warned. Further violations will result in a ban (for a week, a month or permanently).
